2010-2011 Staff Needs

Elementary: 4 elementary

Secondary: MS language arts/social studies, MS math/science, MS Bible
HS math, social studies, English and Bible

General: P.E., computers, art, basketball, volleyball, and soccer coaches, ESL/ELL, Discovery therapist, substitute teacher, learning specialist/special education, yearbook advisor, curriculum coordinator, director of development, academic director, guidance counselor, secondary principal, librarian, student activities director, director of spiritual development and director of personnel

Facilities: Our original buildings are built in a figure eight around two patios to the north of the city and we also have a new two-story brick classroom wing. Our library has over 20,000 volumes. Basketball court, mini soccer field and playground are adjacent to the buildings. We are currently building the second phase of our new building which will include a new library, computer lab, classrooms and administrative areas which we hope to begin using in 2010.
