

# Summer reading requirements for Middle School

May 2010

Many studies have shown that readers are better students. ECA wants to encourage Middle School students to develop reading habits, improve speed and fluency, and progress towards scholastic success. Therefore Middle School students will read 2 or 3 books over the summer, depending on their present grade level. Students may check out books from the library for the summer and get them approved by Mrs. Van Zandt. If some students want permission to read an advanced book talk to Mrs. Van Zandt or by write at [byelines@hotmail.com](mailto:byelines@hotmail.com).

The book report form is attached on the back.
