

COLOMBIAN CULTURAL TIDBITS- FOR WHEN YOU COME TO VISIT US!

- ❖ Colombians will never throw something to you, they will always “hand it” to you.
- ❖ Colombians will always wrap or put whatever they are going to give you in a bag, they will never give it to you “as is.”
- ❖ Colombians will never “throw” their or your car doors, they will always gently close them.
- ❖ A Colombian blue collar worker will never wear his/her “work clothes” to and from their home. They will always change at the job site.
- ❖ Good Colombian friends will always greet each other with a peck (well, is not a peck, it is more of a touch of the cheeks) on the cheeks-always the “right” cheek, though!
- ❖ Colombians most always will ask about your family and health before they talk business.
- ❖ Colombian Sunday evening news will always start with “sports,” not with that other insignificant stuff!!
