

Items Typically Brought from the States

Items some consider hard-to-find or expensive here

Everyone has their own tastes and preferences, but this is a list of items our teachers have appreciated being able to bring back from the States. We included even unusual items in case they trigger a thought.

Most of these items are either more **expensive**, **non-existent**/hard to find, or **better quality** in the States.

- Shoes (large sizes scarce)
- Raincoat

- Rain boots they take up space in a suitcase but I have been glad for dry feet on many occasions!
- Umbrella it rains here a <u>lot</u>. You will always want it in your bag, so a super small one is what most people go with. You can buy them here as well.
- Bags/Totes to carry books, markers, papers, etc., from class to class (MS/HS)
- Greeting/note cards the Hallmark store is expensive
- Anything specific that you really want for your classroom

Some General Comments

Bring warm things. You'll want short sleeves, but ALWAYS bring/wear a sweater or coat. Fleece zip-ups are ideal.

Shampoo/conditioner – it's not horribly expensive here in the long run, but it's still relatively expensive. If you're low on space, you could skip this, but it's nice to have.

You shouldn't need **bedding** unless you want something specific. For example, **pillows** are basically rocks here (in my opinion), so I brought mine down. Also, you may end up with super random bedding (I have two queen- (or maybe full-) sized flat sheets (no fitted sheet) and a queen (or full) sized comforter on my twin size bed. Truthfully, we get a lot of things donated from families from school. We just send a note out saying, "Does anyone have an extra ____ (comforter, blankets, microwave, etc.)?" and someone usually will donate it.
