Student Passenger Permission

My child _____ has permission to leave ECA in the car driven by _____, his/her classmate. Per the above arrangement, I exempt the school from any liability in the event these students have an accident or cause an injury after they leave school grounds.

This permission is:

- On a regular basis (this will be the regular means of transportation on certain or all school days)
- Occasionally, without further notice (any day of this school year)
- Only when we send written permission
