

Technology Available for Teachers

ECA provides substantial technology for use in the classroom and work areas. It is recommended that teachers also bring their own laptops, which all desks in the Teacher Office can support. It is also recommended that laptops have an HDMI output or an adaptor that converts to HDMI. Wireless is available throughout the school. Below is the list of equipment ECA has available for its faculty.

All Classrooms

42" Plasma/LCD TV or Video Projector with VGA and HDMI connections
--

Note: 7th - 12th grade classes require your own laptop or a check-out laptop. If you bring a pre-2013 MacBook Pro, be sure to have an adapter to VGA or HDMI.
