

HS Summer Reading Competition 2025

Directions: Fill out this summer reading log for every book you read this summer in either English or Spanish. Record the book title, number of pages read in each book, and a brief comment about the book.
NOTE: The library will be open in June, from 8:00-12:00 am, for you to check out books.

Things to keep in mind:

1. In order for your summer reading to count, books should be at or above your reading level.
2. You and your parents must sign the reading log, affirming that you have indeed done all of this reading over the summer, before you submit your reading log.
3. Reading logs are due on Aug. 8, 2025.
4. We reserve the right to ask you questions about the books you read to prove that you read them ;)
5. The four students in any high school grade (9th-12th) who read the most this summer will be awarded an Amazon gift card.
6. Any student who reads at least one book will receive a tienda gift card.
