

ELEMENTARY SUMMER READING LOG 2025

Join us in our Elementary Summer Reading program!

All students must spend at least **10 hours** reading this summer. This summer reading log will be counted as the first reading log grade of the school year for students entering 1st through 4th grades. The individual from each class with the most hours read will receive a reward. The class with the highest total will also be rewarded.

Record your reading and return this paper to school on August 7th.

Total time read: _____

Reading can be English and/or Spanish and to self and/or out loud.

If you need more space, feel free to write on the back of this or add another paper.

Important note: Please remember to add up the total time read. If you do not, this form may not be included in the contest.
